Dear Parents:

Thank you for your interest in the Community Based Activity Program! CBAP strives to provide inclusive programs for people of all abilities. This summer will be the 30<sup>th</sup> year of CBAP!

**Info:** CBAP will begin June 25<sup>th</sup> and run through August 1<sup>st</sup>. Our schedule is Monday through Thursday, 8:00am to 2:00pm

**Fees:** We will be charging the participants based on the amount of support your child needs to be successful in our program. The base fee is \$750.00 and is set on a sliding scale from there. If a child needs one-on-one assistance, the fee will be higher than if the child were able to work alone in small groups. If your child qualifies for ESY services, you will need to contact your school district for more details.

CBAP strives to ensure that every child in our program succeeds. If your child needs additional services, we will begin an intake process where we will need to interview you as well as your child's school teacher.

**New Applicants:** We try our best to get as many people into the program as possible! This is dependent on room in the program as well as our ability to support each child to the extent that they need to thrive in the program.

Information we need: **(Before April 12th)** – Please return to: Beth Buehler – 1341 Pacific Ave., Forest Grove, OR 97116 or email to [cbapkids@gmail.com](mailto:cbapkids@gmail.com)
